"The Dependable Store"—7th and K Sts.

This once-a-week event never fails to bring bargains of note—for we are constantly working to broaden the scope and increase the advantages of the day. The list presented for tomorrow gives added emphasis to the oft-repeated assertion that "bought at Goldenberg's is best bought." The fresh charm of new spring goods adds their argument to that of unmatchable low prices—and the two combine to make tomorrow's Thursday Bargain Sale one of the most attractive ever planned.

Not distorted facts or exaggerated claims of fictitious values—but truthful statements of wanted merchandise for very much less than you will be asked elsewhere.
